++ Valid for broadcast between 1800 and 0600

Headline:
Bright with occasional showers on Thursday.

This Evening and Tonight:
Cloudy with rain at first. Becoming dry through the evening with long clear spells developing. Cloudier later in night with a few showers in northwest. Southwest winds freshening again. Minimum temperature 6 deg C (43 deg F).

Thursday:
Bright or sunny spells, but a few showers, these mostly in the northwest and over high ground. Fresh southwest winds at first but turning westerly and easing. Sill mild. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
High pressure building from the south, so generally dry and bright with some sunshine, but cloudy Friday night and at first Saturday with some rain.
